Welcome!

Welcome to the 2019-2020 school year. I look forward in embarking on this educational journey with all of you. In order to have a successful year, your active class participation is needed. Please take the time to review these basic guidelines. Feel free to contact me with any questions, comments, or concerns at IIncer@materlakes.org . I appreciate your support!

All homework may be found on MaterLakes.org. It is encouraged that all students and parents sign up for the reminders.

We will be using MathXL and iReady for homework assignments.

Work **MUST** be shown in second composition notebook.

Absences/Make Ups

All work is expected to be turned in on time. However, if student has an EXCUSED absence, they can make up any work missed. Students WILL receive a Z until work is turned in. It is the student responsibility to ask for missed work.

Work must be completed in a timely manner. Therefore, students have 72 hours to complete any missed assignment during their absence.

Behavior

Students must show respect to their teacher, peers, and themselves at all time. A warning will be given the first time a rule has been broken. If problem persists, the parent will be contacted and student will be sent to office.

Administration and the Dean of Discipline may then reprimand student with detention, suspension, or referral, as deemed necessary.

Review

I have reviewed the syllabus for Ms. Incer's math class with my parent/guardian and fully understand what is expected of me. I understand failure to comply with these guidelines will result in a lower grade and/or disciplinary action.

Please bring back this portion signed by both the student and parent/guardian.
