Dear Student and Parents,

The PSAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT) will be offered on WEDNESDAY, OCTOBER 16, 2019. The PSAT measures abilities which are important in college level work. Your scores will be helpful to you in discussing your further education and choice of college with guidance counselor and parents. It will be a "trial run" for the SAT. Your PSAT/NMSQT scores can be used to estimate your probable performance on the SAT and can be used as an Algebra 1 concordant score. If you are an 11th grader, you have an opportunity to enter one of the scholarship competitions administered by the National Merit Scholarship Program. Ninth and tenth graders are not eligible for the National Merit Scholarship Programs based on the administration of the test. You may participate in the Student Search Service of the College Board. Many students who participated in this service in past years received materials from colleges and other post-secondary institutions telling them about educational and financial aid opportunities.

Sincerely,

  
Mr. Rere Roviroso  
Principal
